Anlin XTRU

Truly State of the Art Windows and Doors

Anlin XTRU is the true leader in window and door technology. Anlin's proprietary ***Titanium Dioxide Infused Vinyl Extrusion*** is architecturally engineered for superior strength, durability and energy efficiency. **Anlin** XTRU is certified in accordance with ASTM D4726 and AAMA 303-19. Anlin's proprietary designs are state of the art, with high temperature tolerance, low thermal expansion and are performance engineered. **Anlin** XTRU with air-tight fusion welded corners, provides combined features that surpass wood, fiberglass and metal in overall performance and longevity. **Anlin** XTRU has made **Anlin** Windows and Doors the envy of the industry and number one in customer satisfaction with an impressive Five Star consumer rating.

Anlin Premium Features

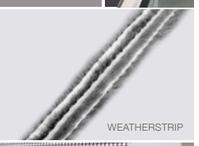
Anlin XTRU Architectural Frame with Foam Insulation

Anlin XTRU formula with innovative design, provides superior thermal values. **Anlin** Comfort Core, low conductance green foam is inserted in specific dead air chambers in window frames for maximum energy efficiency.

Note: **Anlin** Comfort Core Foam insulation is exclusive to **Anlin** DM and **Anlin** DME

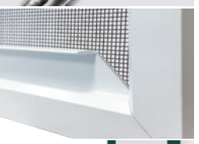
Anlin High Quality Smooth Operation

Anlin DM | **Anlin** DME Series high-quality rollers and a constant-force stainless steel balance system ensures smooth operation of sliding and hung windows. Windows glide effortlessly, with rollers that have precision bearings and stainless steel axles for a lifetime of smooth operation.



Anlin Weather-Tight Seal

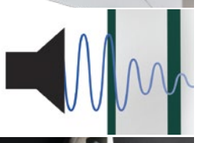
Anlin antimicrobial triple-fin weatherstrip with four barriers of filler provides a weather-tight seal blocking more wind, dirt, bacteria, moisture and sound.



Anlin Heavy-Duty Screen Frame with Antimicrobial Mesh & Watershed Coating

Anlin screens are infused with antimicrobial protection, providing clearer viewing, better airflow, insect protection and watershed technology. **Anlin** Aluma-Force heavy-duty screen frame is made to last with thick walls of extruded aluminum and the built-in pull rail provides easy removal.

Note: **Anlin** Heavy-Duty Screen Frame standard in **Anlin** DM / **Anlin** DME and available as an upgrade in **Anlin** COR



Anlin Sound Package

Anlin Sound Package reduces unwanted noise up to 50%. Varying thicknesses of glass reduce bounce and vibration and argon gas dampens transfer of sound waves. Don't let outside noise keep you from enjoying your dream home. Note: **Anlin** Sound Package standard in **Anlin** DM / **Anlin** DME and available as an upgrade in **Anlin** COR and **Anlin** MAL

Anlin Security and Fiberglass Reinforcement

All lock hardware is securely attached to fiberglass reinforcement and a continuous interlocking rail prevents "jimmying" or access to the lock. All windows and doors pass the most stringent forced entry resistance test. **Anlin** Inner Core, rigid ultra-strong fiberglass-reinforced inserts provides superior insulation and strength.

★★★★★ FiveStar Reviews

Kerri N. ★★★★★
"We have had Anlin replacement windows for 10+ years and have been very happy with them. We recently had to call for service because our window would not stay open. **Customer service was very polite and efficient**, scheduling a service appointment right away. The service technician, Art, came over exactly on time and within 20 minutes had the window fixed."

Tina B. ★★★★★
"**This is a great company!!! I'm so impressed with their quick response time and punctual service!** Ryan was the tech who did our repairs. He was very knowledgeable and helpful! Ryan worked carefully and cleaned up after himself! He was friendly and had such a positive attitude; really went above and beyond in the work that he did! Thank you!"

Lisa T. ★★★★★
"Anlin Windows did an Amazing Job! **They really stand by their windows.** I had Anlin windows installed over 15 years ago. Just recently had some trouble with my slider and bathroom window. I was so impressed with their quick response in getting my repairs complete and how punctual they were on their arrival time."

Beth B. ★★★★★
"13 years ago, I bought a house with Anlin windows. Recently we started to have troubles with our slider. Sean and Ryan both offered quality service that is so rare to find these days. **My windows look great after over 13 years, and the customer service is wonderful.** I would highly recommend this company to all my friends."
